Rigid Endoscopy Experts

BPI Medical is recognized as one of the most qualified authorities in the rigid endoscopy repair market today. We offer in-house rigid endoscope repair services for all makes and models. All scopes are inspected and serviced by expert technicians, who use state-of-the-art equipment to ensure the highest quality repairs. From polishing the objective lens to rebuilding the entire rigid endoscope, you can rest assured that your equipment is in good hands. We do it all; from repairing small diameter pediatric scopes, offset operative scopes, and long urology scopes to performing overhaul replacement of stainless steel shafts, light fibers, and image fiber bundles.

Servicing all types of rigid and semi-rigid scopes including:

- Olympus
- Storz
- Wolf
- Stryker
- Richards
- Linvatec
- ACMI
- Gynecare
- Arthroscopes
- Hysteroscopes
- Needle scopes
- Semi-rigid fiberscopes
- Endo-eye scopes
- Cystoscopes
- Laparoscopes
- Sinuscopes
- Offset scopes
